Healthy people living, working and playing in Baltimore County

Gregory Wm. Branch, M.D., MBA, CPE, FACP - Director, Health and Human Services
Baltimore County Executive Johnny Olszewski and the Baltimore County Council

Baltimore County does not discriminate on the basis of race, sex, age, color, physical or mental disability, marital status, political affiliation, creed, religion, or national origin. Upon prior request, provisions will be made to accommodate individuals with disabilities. This brochure is available in alternative format upon request. Baltimore County complies with the ADA.

Baltimore County Department of Health Back-to-School Immunization Clinics

- Parent To-Do-List
- Summer vacation
 - Summer reading list
 - Back-to-school shopping
 - Be sure my child's shots are up-to-date
 - Get shots for school

**No shots.
No record.
No school!**

Did you know?

- Children going to Kindergarten, 1st, 2nd, 3rd, 4th, 5th, 6th, and 7th grade will need two doses of varicella vaccine (Chicken Pox)
- Children going to the 7th, 8th, 9th, 10th, 11th and 12th grade need a single dose of Tdap vaccine (whooping cough) and a Meningococcal vaccine (Meningitis)
- Baltimore County Public School students have 20 days from the first day of school to get all required shots or they will not be allowed in school

What should you do?

Make an appointment with your primary care provider right away **OR** Start Administering Vaccines Early

SAVE.

Free vaccine is available for those who:

- Have Medical Assistance or MCHP
- Have no health insurance
- Have health insurance that does not pay for vaccine
- Are 18 years old or younger
- Attend a BCDH Mass Vaccine Clinic

Bring your child to a Baltimore County health center in your area to get needed shots. Even if your child has insurance, he or she can still be seen at one of our clinics. See schedule of dates and locations.
